DIRECTIONS:

We are located INSIDE Tsitsikamma National Park, at Storms River Mouth. Our office overlooks the Storms River Mouth and ocean, and we are tucked nicely underneath the restaurant.

From Plettenberg Bay

We are approximately a 45 minute drive down the N2 towards Port Elizabeth. Take the RIGHT hand turn “Tsitsikamma National Park”, and drive to the Park Gate.

From Jeffreys Bay

We are approximately 1 hours’ drive down the N2 towards Plettenberg Bay. After you drive over the Storms River Bridge and pass the petrol station, pass Storms River Village, and turn LEFT at the “Tsitsikamma National Park” sign and drive to the Park Gate. (This left hand turn is before the toll gates – so if you’ve passed the bungee jump and are at the Toll Gates, you’ve gone too far!).

From the Tsitsikamma National Park Gate

From the entry of the National Park there is only one road, so you can’t get lost! Follow this road to the very end, park in the car park and follow the red Untouched Adventures signs underneath the restaurant to the Storms River harbour.
